4. POLICY. Commanders and directors are responsible for ensuring AT Awareness Training (Level I) is conducted, recorded, tracked and reported as required. The Directorate of Plans, Training, Mobilization and Security (DPTMS) Antiterrorism Officer (ATO) will provide oversight and track Garrison AT training completion. The ATO is responsible for providing advice and guidance on all AT training matters.

5. PROCEDURES.

a. Annual AT Level I Awareness Training is mandatory for all military personnel and DoD civilians (including Non-Appropriated Funds employees).

c. Military and DoD civilians traveling outside the 50 United States, its territories, and possessions (to include leave, pass or temporary duty) will receive a destination AOR threat update within 30 days of travel. Military and DoD civilians traveling on leave status must receive a country specific travel briefing from the Directorate of Plans, Training, Mobilization and Security (DPTMS) Security Division. All personnel on official or unofficial travel status must have received AT Awareness Training (Level I) within 12 months of travel.
